Notice is hereby given that a competitive examination (practical, written and oral) will be held on Monday the 26th March 1906 and succeeding days for the selection of students to hold the two scholarships granted by the Government of His Highness the Maharaja of Mysore for the study of analytical chemistry, in the Laboratory of the Agricultural Department. It will consist (1) of a written paper on qualitative and general inorganic chemistry and such other of its applied subjects as the examiners may decide and (2) of a practical examination, such as the analysis of one or more salts as may be selected.

2. Each scholarship will be worth Rs. 40 a month and will be tenable for eight months. The examination will be open to candidates who have taken the B. A. degree in Physical or any other Science.

3. After the completion of the course of eight months, an examination will be held among the scholarship-holders for selection for the appointments of Probationary Assistant Chemists which may be vacant. The scholarship-holders will be bound to enter into an agreement to serve the Mysore Government if they are ultimately selected for employment in the State or to refund the full amount of the scholarships drawn by them if they refuse to serve.

4. All candidates must be natives of Mysore. They should state in their application their age, caste and father's name and profession.

5. All candidates must produce medical certificates of physical fitness from the Senior Surgeon of the Mysore Government, and also testimonials from the Principals and the Professor or Demonstrator of Chemistry of the College where they have studied, as to the progress and manipulative skill in chemistry displayed while at College. They should also produce a statement as to when and where they graduated, what subject they took in their final examination for their degree and what place they secured in them.

6. The continuance of the scholarship will depend on their showing good progress, and any scholarship holder who is not likely to turn out a satisfactory analyst will be asked by the Agricultural Chemist to resign his scholarship and will not be permitted to return to the Laboratory or to continue to draw his scholarship.

7. Applications must be sent to the Agricultural Chemist to the Government of His Highness the Maharaja of Mysore not later than the 15th March 1906.

No. R. 10960—*L. R.* 498-05-3, *dated 23rd February* 1906.
